

Map Making

- Decide on your destination. It could be a walk around neighborhood, the route to grandmother's house, a summer road trip, or just a made-up location.
- You can start with a paper map or google map to locate the landmarks you want to highlight.
- Trace out the route you will take.
- Add in the elements you wish to highlight.
- Add place names.
- Add color.
- For ideas go to our Pinterest board:
<https://www.pinterest.com/enidlibrary/adult-programs/map-making/>
- Be sure to post a picture of your map as a comment on our Facebook post and log it into your Beanstack challenge log. You could win the grand prize at the end of our summer reading challenge!
